

Data protection

principle

Tecnopad AG takes the protection of your personal data seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this privacy policy.

Purpose of data processing

We will process your personal data only to fulfill the contract concluded with you or to carry out pre-contractual measures that you have initiated. We collect the data to be processed by you or your representative.

It refers to:

- Customer address data: Company or first name / name, address, e-mail address, telephone number
 - Contact information: first name / name, function, e-mail address, telephone number
- The provision of your personal data is voluntary. However, contract fulfillment can be made impossible if you do not provide your personal information. Your personal data will not be used for any other purpose without your express or implied consent.

Legal basis of processing

We process your personal data exclusively with your consent or due to a legal obligation.

storage time

Your personal information will be retained by us only for as long as we reasonably consider it necessary to achieve the contractual purpose and as permitted by applicable law. The storage takes place in any case as long as statutory retention requirements exist or limitation periods of potential legal claims have not yet expired.

Right to information, cancellation, blocking

At any time you have the right to free information about your stored personal data, their origin and recipient and the purpose of the data processing as well as a right to receive a copy, correction, blocking or deletion of this data. For further information on personal data you can contact us at any time at the address given in the imprint.

Use website

The use of our website is usually possible without providing personal information. As far as on our sides personal data (for example name, address or E-Mail addresses) are raised, this takes place, as far as possible, always on voluntary basis. These data will not be disclosed to third parties without your explicit consent. Please note that data transmission over the Internet (for example, when communicating via e-mail) may have security vulnerabilities. A complete protection of the data from access by third parties is not possible.

cookies

The internet pages partly use so-called cookies. Cookies do not harm your computer and do not contain viruses. Cookies serve to make our offer more user-friendly, effective and secure. Cookies are small text files that are stored on your computer and stored by your browser. Most of the cookies we use are so-called "session cookies". They are automatically deleted after your visit. Other cookies remain stored

on your device until you delete them. These cookies allow us to recognize your browser the next time you visit. You can set your browser so that you are informed about the setting of cookies and allow cookies only in individual cases, the acceptance of cookies for certain cases or generally exclude and enable the automatic deletion of cookies when closing the browser. Disabling cookies may limit the functionality of this website.

contact form

If you send us inquiries via the contact form, your details from the inquiry form, including the contact details you provided there, will be stored in order to process the request and in case of follow-up questions. We will not share this information without your consent.
